

## COMPANY PRESENTATION

# INTRODUCTION

Gepa was founded in 1982 as the first fiberglass solas approved boat manufacturing company in Turkey. We are located in Tuzla, the heart of the Turkish ship building industry with our factory covering 4300 sq meter indoor area for production. We are also the part of **ONURSAN MARINE SAFETY** Group of companies which is also one of the oldest maritime companies in Turkey.

# SAFE AND SOUND

WE ARE THE OLDEST  
LIFEBOAT MANUFACTURER  
FROM TURKEY WITH  
ALMOST 40 YEARS OF  
EXPERIENCE.

**Since 1982**

# KNOW-HOW

**We have almost 40  
years of  
experience**

# G E P A

## Key Points

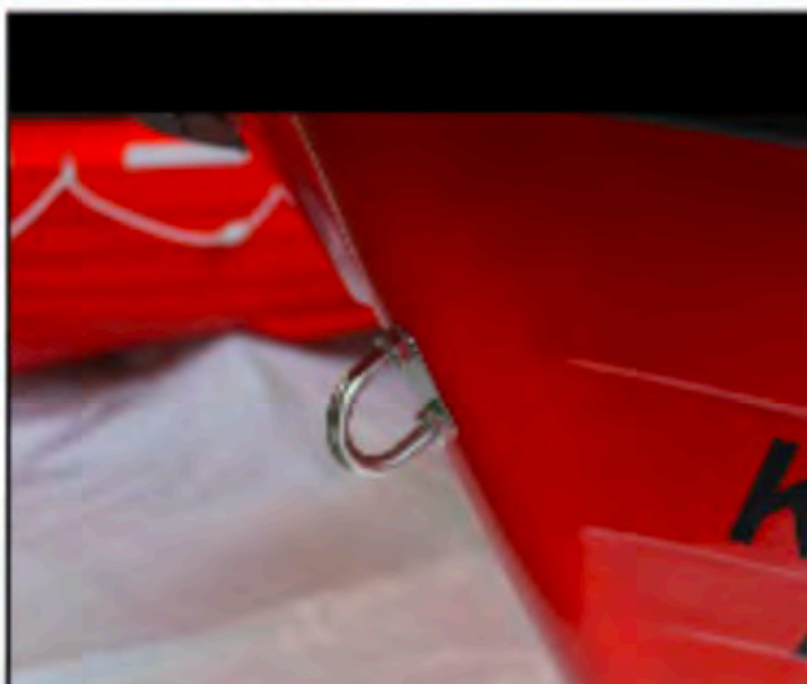

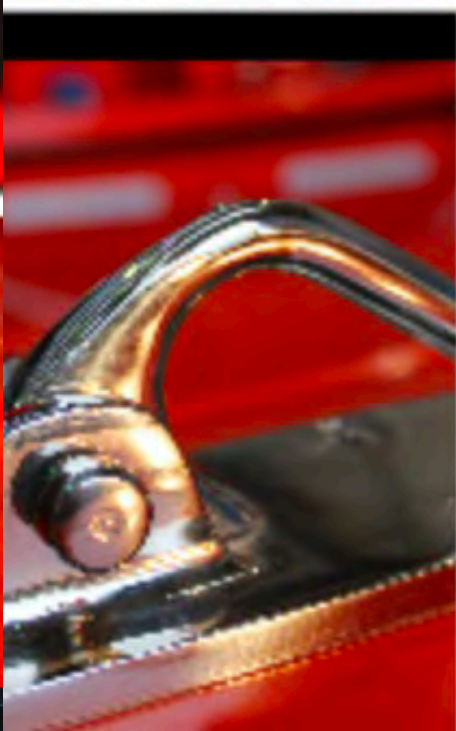

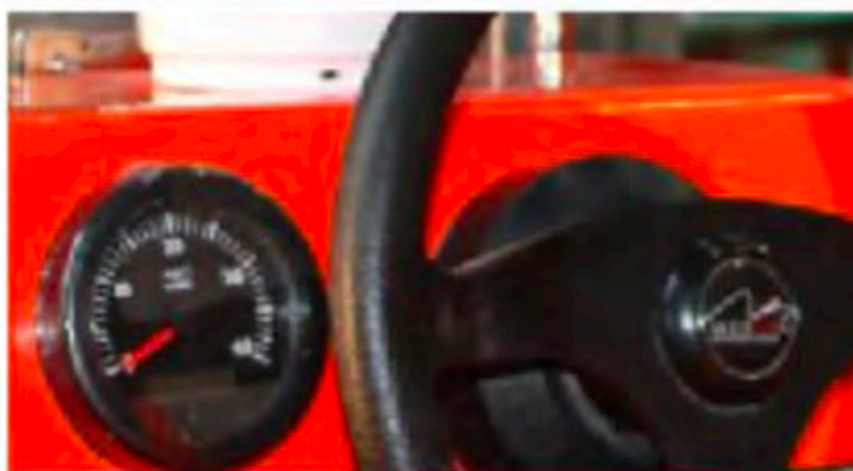

- Boats are manufactured %100 in Turkey / Tuzla
- The superintendents or owner reps can visit our premises any time they want while the boats are in process of manufacturing
- All commissionings, FAT, load tests etc. can be done by GEPA OEM technicians with free-of charge
- We can extend the warranty for customer needs
- We can extend the range of spare parts
- We can fix the expenses of first annual inspection fee in the region as per solas msc 402.96
- Owner can benefit from our world-wide service agents for inspections, repairs and spare parts.
- We use the best brands for hook and engines (BUKH, HENRIKSEN & MERCURY) in our boats.

**WORLDWIDE SERVICE  
AGENTS**
